Equal Voice invites you to honour all those who have blazed a trail for women in Parliament.

Former and current Parliamentarians, their supporters, and friends of Equal Voice are encouraged to join us for a special reception to celebrate women in political life.

Get inspired as we also recognize the achievements of the recipients of the 2011 Governor General's Person's Awards in honour of the Famous Five.

This reception will occur immediately prior to the annual dinner hosted by the Canadian Association of Former Parliamentarians.
